

CIT2011 Web Programming

Individual Assignment #1 - Other Document

Student: Jevari Beale

Student ID: 2504346

Programme: BSc in Computing

This document contains the website storyboards, asset and design specifications, GitHub repository link, free hosting link, and APA-formatted references for the portfolio website.

1. Storyboard - Desktop Layout (950px and above)

The desktop layout uses a horizontal navigation area followed by the main portfolio content. The page is centered with clear spacing between sections.

Desktop storyboard represents the same major sections used on the live Home page.

2. Storyboard - Mobile Layout (600px)

For smaller screens, the navigation changes to a vertical arrangement and content sections stack to fit the available width.
